About NameCaster

NameCaster.com specializes in the rare and valuable domain names that will generate great profits, and are also excellent investments and appreciating assets. NameCaster has high quality domain names that are widely recognized as the true leader for world-class domain names.

We have been actively involved with domain names since early 1996 and our associated companies have develop many well known web sites. We currently have over 50 new sites under development and are available to broker partnerships between domain owners and potential investors.

In addition to Feedz.net (Feedz), many more domain names are available at <http://www.namecaster.com>

All the sales and transfers are fully secure because NameCaster.com always has clear titles to all the domain names. The transactions are done through an escrow arrangement which means that a buyer gets the domain name first, before releasing the payment. Nothing can be more secure for buyers.
